AN EXHIBITION OF IMAGES FROM SURFINGS BEST PHOTOGRAPHERS

The Surf World Museum in Torquay is inviting Australian surfing photographers to submit work for its up coming Visions exhibition. The exhibition will focus on images capturing the spirit of surfing in Australia. From the frenetic activity at city beaches, to surprising moments of natural revelation, we are looking for photographers to review their work and choose 2 outstanding images that they feel best illustrate the lives of surfers and capture the essence of the Australian surfing experience

The exhibition will be on show, in a newly developed temporary exhibition space, at Surf World Torquay (the world's largest surfing/beach culture museum) from December 2009 until March 2010. To register your interest and to become part of the selection process please fill out the form below and return to Surf World Torquay. All submissions should be ready to hang and be accompanied by a note (100—200 words) with comments describing each work and/or setting the scene & a 100 word description of your background and experience as a photographer.
